When This War Is Over

J.J. Cale & Eric Clapton

When this war is over
It will be a better day
When this war is over
It will be a better day
But it won't bring back
Those poor boys in their gravesAin't no sense in no action
Killin' people all the time
Ain't no sense in no action
Killin' people all the time
When it happens on the street
We call that a crimeMan, he can get along
He just won't agree
Who's right and who's wrong
The matter you seeAll of those killings
That ain't the way to go
Gotta get a plan
And change our ways you knowWhen this war is over
It will be a better day
When this war is over
It will be a better day
But it won't bring back
Those poor boys in their gravesWhen this war is over
It will be a better day
When this war is over
It will be a better day
But it won't bring back
Those poor boys in their graves
