

# Tell Me Why (the Riddle)

**Paul Van Dyk**

Tell me why, tell me why

Wonder if I could open my heart again (if I could, if I could, if I could)

Ask me why I feel like at start again

Wonder if I could open my heart again (heart again, heart again)

Ask me why I feel like at start again

The morning comes and the snow is falling

The morning comes and the snow is falling

The morning comes and the snow is falling

The morning comes and the snow is falling

Tell me why, tell me why

Tell me why, tell me why

The morning comes and the snow is falling

The morning comes and the snow is falling

The morning comes

I can't understand the reason

And snow the is falling (tell me why)

The morning comes

I can't understand the reason

And snow the is falling (tell me why)
