

Smile Again

Kirk Franklin & The Family

No reason to give up, no reason to turn around, no
No matter what, it will come,
I want you to know Tell me how you feel when you're all alone
No one to say I love you and you feel your hope is gone
Try to call your best friend, but he's not there
So you wind up feelin' empty like no one cares My brother, don't worry, the storm don't last always
For there's a man from glory
Full of mercy and grace
He'll pick you up
He'll hold your hand
He'll ease your pain
So you can smile again
He'll pick you up
He'll hold your hand
He'll ease your pain
So you can smile again
Good God Almighty Tell me how you feel, how you feel
When you're feelin' all alone, all alone
No one to say I love you
Feel like all your hope is gone, yes, it does Try to call your best friend, yes, you do
No one, no one is there, oh yes
Feelin' kind of empty, yeah
Feelin' like no one cares, no
My brother, don't you worry now
Your storm won't last always
There's a Man from glory, full of mercy and grace He'll pick you up
He'll hold your hand
He'll ease your pain
So you can smile again
He'll pick you up
He'll hold your hand
He'll ease your pain
So you can smile again
My brother don't you worry (don't worry)
Your storm don't last always
(trouble don't last always, trouble don't last always)
There's a man from glory (from glory)
Full of mercy and grace He'll pick you up
He'll hold your hand

He'll ease your pain
So you can smile again good God Almighty When I was a feeling down feeling low yeah he made me happy
Keep your head up smile again
I don't care what your going through
Keep your head up smile again
Good God Almighty Keep your head up, smile again
Keep your head up, smile again
Good God Almighty Keep your head up, smile again
Keep your head up, smile again
Good God Almighty Keep your head up, smile again
Keep your head up, smile again
Good God Almighty Keep your head up, smile again
Keep your head up, smile again
Good God Almighty Keep your head up, keep your head up
Keep your head up, keep your head up
Keep your head up, keep your head up
Keep your head up, keep your head up Keep your head up, keep your head up
Keep your head up, keep your head up
Keep your head up, keep your head up
Keep your head up, smile again
