

# Slippin' Around

## Jimmy Hughes

Seems I always have to slip around  
To be with you, my dear  
Slippin' around  
Afraid we might be foundI know I can't forget you  
And I've got to have you near  
But we just have to slip around  
And live in constant fearThough you're tied up with someone else  
And I'm all tied up too  
I know I've made mistakes, dear  
But I'm so in love with youI hope some day I'll find the way  
To bring you back with me  
Then I won't have to slip around  
To have your company[Incomprehensible]Though you're tied up with someone else  
And I'm all tied up too  
I know I've made mistakes, dear  
But I'm so in love with youI hope some day I'll find the way  
To bring you back with me  
Then I won't have to slip around  
To have your company
