

# Good News

[Randy Stonehill](#)

I got this little song, I want to sing it for you  
I got this little song, I want to sing it for you  
Well, I got this song, I want to sing it for you  
It won't be very long till the song gets through  
Just can't help myself  
I got to tell you about the news, tell you, tell you, tell  
You 'bout the good news Good news, Christ is returning  
Well, now the world is learning  
Christ is returning  
Jesus gonna bring us on home Good news, feel alright  
He'll come like a thief in the night  
He's gonna take us in flight  
Jesus gonna bring us on home Some sweet day  
Good news, we could live forever  
Floating light as a feather  
Going home, say, "bye, bye"  
We can all be together  
When Jesus comes to bring us on home  
Bringin' us on home, bringin' us on home Glory train comin' through  
Headed on down for the home  
Bringin' us on home, bringin' us on home  
Some sweet day, you know it, you know it  
Might not be far away Ain't that real, real good news  
Ain't that real good, ain't that real good  
Ain't that real, real good news  
I said, ain't that real, real good news  
Ain't that real, real good news Don't you know I'm talkin' to you, tell you 'bout the real good news  
Don't you know I'm talking to you, come on, come on  
Come on, come on train's comin' through, ain't that real, real good news Well, in a world of darkness  
He's the light  
People, ain't that real good news  
He's the only one who won the victory fight  
And I feel it's good news Feel good, feel so good  
I feel so good, feel so good  
And I pray that I feel alright  
Ain't that real good news  
I got Jesus
