

# I'd Do Anything for You

## Betty Boop

I'd do anything for you. Lyrics Betty Boop (Helen Kane 1929)

There's lots of things that I don't like sweetheart it's true,  
But then I changed my mind with just one smile from you.

I love you from the very start,  
Yes, I'd do anything for you sweetheart.

Though I don't like turnips, I can't stand turnips,  
And I hate turnips it's true. But if you say "Turnip" then I'd eat catnip,  
Say, I'd do anything for you.

Though I don't like dancing, I can't stand dancing,  
And I hate dancing it's true, but if you say "Go dance" I'd even toe dance,  
Oh I'd do anything for you.

Sweetheart, can't you see-e, what you mean to-o-o me?

Now I don't like Niagara, oh I can't stand that place,  
I hate Niagara is true, but if you say "Niagara" then we'll go to Pittsburgh  
Oh I'd do anything for you

Though I don't like bananas\*, I can't stand bananas\*, (\* = English pronunciation)  
And I hate bananas it's true. But if you sing tenor, then I'll sing banana,  
Oh I'd do anything for you.

Through I don't like swish cheese, I can't stand swish cheese,  
The holes make me nervous that's true. But if you play the banjo, then I'll play the swish cheese,  
Oh, I'd do anything for you.

Sweetheart can't you see-e, what you mean to little me?

Though I don't like weddings, oh I can't stand weddings  
And I hate weddings it's true, but if you say "A-wedding" then we'll get married  
Oh I'd do anything for you

(Saxophones and Clarinets)

O-o-o-oh Sweetheart can't you see, what you mean to little me?

Now I don't like Da-da. Pa-dam-pa-da-ba-ba! And I hate Po-poo-pi-su-u-ue

But if you say "Poop-poop" then we'd ba-doop-oop.  
I'd do anything for Pa-pa-di-ba. Bump!
