

Spank Thru (live)

Nirvana

This song is for lovers out there
And the little light in the trees
And all the flowers have gingivitis
And the birds fly happily
We're together once again my love
I need you back oh baby baby
I can't explain just why we lost it from the start
Living without you girl you'll only break my heart...
I can feel it I can hold it I can rub it I can shape it
I can mold it I can cut it I can taste it I can spank it
Beat it
Masturbate it
I been looking for days now
Always hearing the same ol' city boy
Won't you spank through?
I can make you do things you won't think you ever could
