

Take It Off

French Montana

12 o'clock broad day hammers ringin' off
New nigga fuck ya crown nigga take it off
Fresh O's on the stove nigga cake'in off
Gettin' money fuck a hatin' nigga shake it off
Waka flocka flame

I make em take it off shawty where it's at shot 5 times I'm aiming for ya ball cap
Nigga hold tha fucker eat a dick I got ya girl walking funny off this magic stick
I'm like AI I got all the answers up the 5th now we shaking like a booty dancer

French Montana

Shut em down hung around nigga wake em up
I'm golden Ramsey with the work nigga bake it up
All you rap niggas hoes heard you makin' up

You niggas old jewels cold I be shaking up
Me and flocks got a lot Rollin stank it up

12 o'clock broad day hammers ringin' off
New nigga fuck ya crown nigga take it off
Fresh O's on the stove nigga cake'in off
Gettin' money fuck a hatin' nigga shake it off
