

The Curtain Falls

Bobby Darin

I know what I'm really like...
I'm bleeding...
I don't mind...That was very foolish of me
I can do nothing nowLight shines in the darkness
I don't wanna go
Wish I could turn back time
Oh my Guardian Angel
Take me away from here
I think I'm ready now
But still can't make up my mindMemories of yesterday
Hopes left behind
I have to fade away now
There's no other way outThe curtain falls...
