

Bad Girl (feat. Missy Elliot)

Danity Kane

When the red light comes on I transform!
When the red light comes on I transform! Look in my eyes covered in Maybeline
Looking like something fresh out of a magazine
I can be part of your deepest fantasies
You're the detective
Come solve my mystery Some say that love, is all that I'm missing
Some call it Jezebel
I call it attention
But what they don't know
They can't even imagine
Say I don't have self-esteem
But its my passion Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl, a bad girl) I can be your addiction if you wanna
Get hooked on me
I, I can be your addiction if you wanna
Get hooked on me
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl, a bad girl) When the red light comes on I transform
When the red light comes on I transform
When the red light comes on I transform Something about me has got you hypnotized
Examine my body like you're the science guy
Watching my every move, you anticipate
What you're thinking about boy, I can re-create Some say that love, is all that I'm missing
Some call me Jezebel
Call it attention
But what they don't know
They can't even imagine
Say I don't have self-esteem
But its my passion Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl)
Maybe I'm just a (bad girl, a bad girl) I hope you looking for a
B-A-D C-H-I-C
Looking so sexy
Make 'em pay me

She not me, cause there just one me
 I'm the M to the I double S, Y, E
 When the lights come on I tran-transform
 Gimme that, baby come, come on!
 I could do it all night to the break of dawn
 On, on, and on
 I keep on going
 They call me a Jezebel
 'Cause I freaks, I does it well
 Got extensions in my hair
 Bad girls, is ya'll up in hurr
 Tonight we gon' just let it do what it do
 I can flip this pretty young thing on you
 I ain't looking for attention I just want you
 Lemme be your addiction, I can be that too I can be your addiction if you wanna get hooked on me
 I, I can be your addiction if you wanna get hooked on me Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl, a bad girl) When the red light comes on I transform
 When the red light comes on I transform
 When the red light comes on I transform From a caterpillar to a butterfly
 I know I got something that you gonna like
 Don't be afraid I won't let you down
 I'm the one that'll make you come around Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl, a bad girl) I can be your addiction if you wanna
 Get hooked on me
 I, I can be your addiction if you wanna
 Get hooked on me Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl)
 Maybe I'm just a (bad girl, a bad girl) When the red light comes on I transform
 When the red light comes on I transform
 When the red light comes on I transform
