You're Breathin' It

David Lee Roth

Street life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' it(Street life)
We burnt the city down here
Late last night
(Night life)
Dante's inferno meets the
Price is right(Sex life)
A lot like in the movies
And it smelled like victory
(Wild life)
We made it through
With some new shoes and a few CDsYou're breathin' it, breathin' it
Atmosphere
You're breathin' it, breathin' it
Are ya scared?It makes you cry
It makes you laugh
It makes you piss
Don't have a heart attackStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' it(Street life)
I saw this TV show
On toxic waste
(Night life)
Just when I'm gettin' kinda
Used to the taste(Sex life)
Now I don't mind some danger
So, I took a little hit
(Wild life)
And now a message 'bout the ozone layer
You're breathin' itYou're breathin' it, breathin' it
Atmosphere
You're breathin' it, breathin' it
Are ya scared?It makes you cry
It makes you laugh

It makes you piss
Don't have a heart attackStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStart spreadin' the news
I'm leavin' today
I'm gonna be a part of it
In old New YorkThese vagabond shoes are long and stray
[Incomprehensible]
If I can make it damn, I make it anywhere
New York, New YorkStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' itStreet life, night life
Sex life, wild life
You're breathin' it, breathin' it
