I don't own you but I know you're mine
Never disown you, never treat you unkind
Once in a while you get on my nerves
Once in a while you get what you deserve
I need you ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
If I asked you what's on your mind
Would you say me, would they be thoughts unkind?
Once in a while I'm not myself
Once in a while I think you're someone else
I want you ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Let's move in together
Happily ever after
[Incomprehensible]I can't touch you but you feel so fucking fine
Let's just stay like this and waste some more time
Once in a while you get in my way
Once in a while you know I've got to say
I love you ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
Ninety-nine percent of the time
