

Finally Back

Joe

Oh yeah, baby
I'm not going nowhere
I'm staying right hereHey baby, how are you doing
Yeah, I knew I've been wrong for a while
But I'm back to say, I want to stay right here with you
Yes, I know, there are a few things I just want to tell you[Verse 1]
I've been a fool for leaving, leaving you all alone
I should have known better, baby
With you I had a house and a home
My conscience told me, baby, the best things in life are free
My heart is the lock, baby, you hold the key[Chorus 2x]
I am here
After running so long
I am here
Finally back, finally back
Where, where I belong[Verse 2]
I fantasize of a good time, moments that we shared, oh yeah
You showed me more ways, baby you really care
The choice is yours, please tell me now
Baby, I'm begging please
Give me another chance and I'll make you see[Chorus 2x][Bridge]
Don't you worry about a single thing
I'll be right there for you, you'll see
I'll give you everything you need
So baby don't give up on me, I've come to show that I can
That love I had was always there
I know I've been away too long
And now I'm finally back right where I belong
Right back where I belong, baby,
I'm right back where I belongBaby I'm here if you need somebody
I'm back where I belong
