

Everybody Knows (Dirt Bag)

dUSTIN tAVELLA

Do you really wanna be with him, girl?
When all he ever does is make you cry
And do you think that you can handle the truth, girl?
When all he ever does is tell you lies
You know what?
He kisses you but he don't mean it
And he don't look into your eyes
And he don't see the things I see, girl
So somebody tell me why...
Your boyfriend is a douchebag
And everybody knows
Your boyfriend is a douchebag
Your momma told you so
You know he's got somebody on the side, girl
And the way he talks to you is a sin
He just keep sinnin' on
I really think it's time, girl
You quit defending him
You keep telling me things are gonna change
Yeah, okay
But you could never change my mind
Your boyfriend's still a douchebag
And everybody knows
Your boyfriend is a douchebag
Your momma told you so
And everybody knows
Your boyfriend is.
You got to let him go
Your boyfriend is a douchebag
Even his momma thinks so
There ain't no way around it
You really gotta know
That cover up is sweet but phony got that candy coat
You try to make the truth
Look like it's something good
And you perform like he's a star reppin' Hollywood
I know he said he's sorry
But I see nothin' real
And yet his mouth keep runnin' track and field

So maybe you can help me
Understand why you do do do do that
And tell me why your boyfriend's a douchebag
Girl, everybody knows
Your boyfriend's such a douchebag
Your momma told you so
You know what she said
You gotta let him go, go, go, go
Gotta let him go, go, go
