

Hate To Love You

Jennel Garcia

You don't really know what I'm about.
I've been trying to get, get, get you out.
You think you own me, soon you will be sorry.
Make me believe then turn your back on me.
Lift me up and then you bring me down. You've been away for far too long,
And now it's all a blur.
It didn't get to me at first,
But you're running back to her.
And I'll try, try to make this right.
It's something I can't seem to undo.
I hate to, hate to, hate to love you. Now you got my patience wearing thin.
You know how to get under my skin.
You go and torture me, you say you really want me.
You keep me waiting, it'll be the very death of me.
You pull me in and then you throw me out. You've been away for far too long,
And now it's all a blur.
It didn't get to me at first,
But you're running back to her.
And I'll try, try to make this right.
It's something I can't seem to undo.
I hate to, hate to, hate to love you. I hate your laugh.
I hate your style.
I hate the way you make me smile,
But I can't seem to say goodbye, oh! You've been away for far too long,
And now it's all a blur.
It didn't get to me at first,
But you're running back to her.
And I'll try, try to make this right.
It's something I can't seem to undo.
I hate to, hate to, hate to love you. You've been away for far too long,
And now it's all a blur.
It didn't get to me at first,
But you're running back to her.
And I'll try, try to make this right. (try to make this right)
It's something I can't seem to undo.
I hate to, hate to, hate to love you.
I hate to, hate to, hate to love you.
