One More Try

Lil' Eddie

there was a time we were tight
when you would never see me without you
two of a kind, i was falling who know where this was going
slowly you've been stealing my heart beats
but baby you're just not around any longer
something inside is breaking apart since you've been gone
and i'm asking for ..
chorus:
one more minute i just gotta see you
one more time i can't live without you
one more song, one more dance i'm out of my mind
one moment close from the sky
give me..one more try.
i can't get your face out of my head
wondering why you've been so upset
and i opened my arm
what's on your mind?
till it brings you back to me again.
slowly you've been stealing my heart beats
but baby you're just not around any longer
something inside is breaking apart since you've been gone

and i'm asking for ..
chorus:
one more minute i just gotta see you
one more time i can't live without you
one more song, one more dance i'm out of my mind
one moment close from the sky
give me one more try.
give me one more try.
give me one more try.
one moment close from the sky
give me .. one more try.
what we got is real, don't walk away,
and you gotta be feeling it the same baby,
nobody else could ever take your place,
no way, no way, no way girl.
what we got is real, don't walk away,
and you gotta be feeling it the same baby,

nobody else could ever take your place,
no way, no way, no way girl.
[chorus:]one more try (x 3).
