

Let the Bass Go (Call Out Hook)

HardNox

drop drop drop it on the floor
drop drop drop it real low
drop drop drop it on the floor
drop drop drop it real low gimme a kick drum
and a hi hat
and a little snare is how i'll make the beat slap
hey ladies!
where's ya sexy at?
th-th-th-throw it on the fellas
like a quarterback and let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)
let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low) like a quarterback
you dogs think you're kinda slick
hardnox is killin all you dogs like michael vickit's game over
hit rehab and get sober or
maybe you should stay drunk until the pain is over cuz we got beats
that everybody slaps
even cowboys like how it's rattling their gun racks sits a new name
hip hop needs a change
you should pay for better beats and stop buyin chains i'm stomping to my beats just like i stomp when i'm ticked
we'll make 150 tracks
and only 12 get picked i get it right on the second time
unload and then aim
lock the locs over my earlobes and blow up the game i make you feel so good cuz im the man of ya life
mr jimmy comes through and it's a hell of a night
so would you please make me
a little sex on the beach
i drink em tasty and yummy so i can translate beats gimme a kick drum
and a hi hat
and a little snare is how i'll make the beat slap
hey ladies!
where's ya sexy at?
th-th-th-throw it on the fellas
like a quarterback and let the bass go

(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)
let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)its pathetic when just cuz we got no melanin
people tell us that we shouldnt be in hip hop and
i don't know
act more white and go and join a stupid band
and write stupid songs about slicin up our handseverybody's a rockstar
and rapper's say they rock
throwin up devil horns
and talkin how i talk
everybody's a rockstarr
everybody's a rapperr
but only a certain few know how to make a slapperim ridin shawty through the city on the way to the club
if i was really a rapper i prolly wouldnt show upbut im the jimbo man
with the grade a plan
i might drink too much and be with lindsay lohanand get caught in a podunk town with my hat cocked
walkin down the street
hummin beats while my lady talks
thats really all we do
im jus speakin the truth
and maybe someday if you wanna make a song this cool you'll need akick drum
and a hi hat
and a little snare is how i'll make the beat slap
hey ladies!
where's ya sexy at?
th-th-th-throw it on the fellas
like a quarterbackand let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)
let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)this whole messed up world is one rigged election
all these kids are trapped in plastic like contraception
here come some boys just like you to save the day
but now we'll teach you how to make a beat the right waygive me a kick drum
feel it in your bum
move it all around
booty dancin so fungimme a hi hat
bounce it like that

followin the hat
ima have to hear a slapnow throw a little snare
like we dont care
download our music right off of bearshareall i need is a kick
find some catchy licks
mix em altogether and that how the beat hitsgimme a kick drum
and a hi hat
and a little snare is how i'll make the beat slap
hey ladies!
where's ya sexy at?
th-th-th-throw it on the fellas
like a quarterbackand let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)
let the bass go
(drop drop drop it on the floor)
let the bass go
(drop drop drop it real low)drop drop drop it on the floor
drop drop drop it real low
drop drop drop it on the floor
drop drop drop it real low
