

# Blood of My Enemies

## Edge of Sanity

Originally performed by Manowar  
Three sons have I, and they

Ride by my side. - The fierce,

The black, and the wicked are

their names-we ride down my

enemies on their half-hearted flight.

No voice of mercy-no evangels of light.Mighty messengers - heathens rage

Witness our coming - gods of the dead.

I ride through the air -

I laugh as I die - with powers of evel

Dark knowledge is mine.

The 1st sin was trust. -

Kill without warning-for blood now

I lustStrong wind-magic mist

To Asgard the Valkries fly

High overhead-they carry the dead

Where blood of my enemies lies.
