Pink Moon

Sebadoh

Suddenly, its all the same
The pink moon is on its way
No use to stand so tall
The pink moon is gonna get you allIts a pink moon
Pink, pink, pink, pink, pink, pink
Pink, pink, pink, pink, pink, pink moonSuddenly, its all the same
The pink moon is on its way
No use to stand so tall
The pink moon is gonna get you allIts a pink moon, pink moon
Pink, pink, pink, pink, pink, pink
Pink, pink, pink, pink, pink, pink moon
