St. Mary's County

Hamilton Leithauser

Down roads of Queen [?]
With the young smile on the way
Where the swollen summer clouds
Breathe high on distant hounds
I know a way but I'll ask you all the sameNow your heart is twice as strong
When the wistful voices call
With the softest strand of home
Of an endless undertow
I know the way but I'll ask you all the same
Do you know how far we've come?
Do you wander anymore?
I know the way
I know a way
I know the way home but I'll ask you all the same
There's nowhere to fall
Cause we're nowhere at all
I know the way home but I'll ask you all the same
