Market Fresh

Broken Social Scene

Market fresh stand by me

Where will it ever land
Scar and stains, Emily

Turn our little crabI could have meant it if you let me
I could have meant it if you let me
I could have meant it if you let meMarket fresh stand by me
Where will it ever land
Scar and stains, Emily

Turn our little crabI could have meant it if you let meI'm frozen
(I'm frozen, I'm frozen, I'm frozen, I'm frozen)

I'm frozen
(I'm frozen, I'm frozen, I'm frozen, I'm frozen)
