

Feet On the Ground

[Nicky Romero & Anouk](#)

Baby if you're willing to wait a bit longer
'Cause everytime we hang it's getting stronger
Walking around for another day
Please
And wait a little while ake's away
Can you do that for me?
It's been two weeks but it still hurts
Not forever
And there is only one way for us to be
Together
Gimme some time to ease my soul
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
Baby if you're willing to wait a bit longer
'Cause everytime we hang it's getting stronger
Baby let me be who I wanna be
So I can fall to your feet
I could do that for ya
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
I almost ain't got no more tears to fall down
I gotta be right this time and get my feet on the ground
Do you feel it baby? Yeah
He-e-ey
Do you feel it baby? Yeah
I gotta be right this time
Gotta gotta gotta gotta be right this time
