

# I'm on Top

Fredo Santana

I'm on top, hell yeah I'm on top  
And I'm steady chasing money and I'm counting all this guap  
I'm on top, hell yeah I'm on top  
If you try to rob me then I'm giving out shots  
I'm on top, hell yeah I'm on top  
And your bitch want me but I only want the top  
I'm on top, hell yeah I'm on top  
I'm on top, hell yeah I'm on top  
I'm on top, hell yeah I'm on top  
All these bitches just drop 'cause a young nigga hot  
I'm on top, just bought a new car  
Just bought a new watch and a couple new guns  
I'm on top, hell yeah I'm on top  
Run up on me wrong, yeah, you gonna get shot  
I'm on top, hell yeah I'm on top  
Tell your bitch give me top and I only want the top  
I'm on top, hell yeah I'm on top  
When I'm headed to the top say I'm headed to the top  
And I'm smoking on this loud and I'm cooling on the clouds  
I ain't never coming down, I ain't never coming down  
I'm on top, hell yeah I'm on top  
And I'm steady chasing money and I'm counting all this guap  
I'm on top, hell yeah I'm on top  
If you try to rob me then I'm giving out shots  
I'm on top, hell yeah I'm on top  
And your bitch want me but I only want the top  
I'm on top, hell yeah I'm on top  
I'm on top, hell yeah I'm on top I'm on top, hell yeah I'm on top  
And I'm steady chasing money and I'm counting all this guap  
I'm on top, hell yeah I'm on top  
If you try to rob me then I'm giving out shots  
I'm on top, hell yeah I'm on top  
And your bitch want me but I only want the top  
I'm on top, hell yeah I'm on top  
I'm on top, hell yeah I'm on top I'm on top, I'm on top  
Tell your bitch give me top  
I'm on top
