Hole In My Heart

Matt Pond

Virginia I know I stole my faith
Clouds of red spiral down through the drain
Hole in my heart
Hole in my heart

Twisting the grass in the sheets
Mix in blood, we were more real than real
Hole in my heart
Hole in my heart

Last shot to shake the leaves
Is out of my memories
We reached a million woes
All lines of cornerstones
But how your pull in me
Spills film on that empty screen

In the pale of the moonlights
With your maple arms threadbare
How we burned in the cold wind
A hole in my heart (a hole in my heart)
A hole in my heart (a hole in my heart)

I remember the splintered windshield
We'll be slowing down into the field
Hole in my heart
Hole in my heart

You left it with ink on your sheets
Oh, Virginia, I'm slipping to sleep
Hole in my heart
Hole in my heart

Last shot to shake the leaves
Is out of my memories
We reached a million woes
All lines of cornerstones
But how your pull in me
Spills film on that empty screen

Straight in layers of shadows
As the mist pours from your mouth
Rabid lips where I'm still lost

A hole in my heart (a hole in my heart)
A hole in my heart (a hole in my heart)
A hole in my heart (a hole in my heart)

And with eyes closed we dove
Into unknown (a hole in my heart)
Into unknown (a hole in my heart)
Into unknown (a hole in my heart)
Into unknown (a hole in my heart)
