Tennessee

Leatherbag

Your dream can never earn enough
Ultimate nihilistic love
Tennessee nights just zip-code love
Always believe the comfort of strangers
Tennessee eyes, graffiti once blue
Media sells a trace of hate
Media sells a trace of hate
Our epitaph reads like your sin
Subvert, destroy, beat derelict
Tennessee nights just zip-code love
Comanche becomes as maggot
Tennessee eyes orange once blue

Media sells a trace of hate
Media sells a trace of hate
His pain forgets her agony
His heart P M R C
His heart P M R C
The white man is disease
His heart P M R C
Your dream can never earn enough
Ultimate nihilistic love
Love, love, love, love
Love, love
