He Loves Me Not

Emma Bunton

Like cupid aimed and took a shot
We kissed and never seemed to stop, ah-ah
The sun, the moon, the stars so bright
We danced until the morning light, ah-ah
So in love
Is a dream reality till you wake up
Oh seems to good to be true
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
I wish I knew, I knew, I knew
My perfect world is yesterday
Don't want this dream to fade away, yeah
Just take my hand and hold on tight
Let's fly together, side by side, yeah

So in love
Will I wait to feel the sweetness of your touch
Oh seems to good to be true
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
Yeah-yeah-yeah-yeah-yeah, If only I knew
Come what may
Never felt so close but yet so far away
Dreaming on until the day
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
He loves me, oh he loves me not
