Take Me Away

Take Me Away- Lyâ€™Asia

Check how I break it down(3)
Check how I-
break it down

Check how I break it down(3)
Check how I-
break it down

My people moving with me
Hands up where I can see
We came to D-A-N-C-E, E
Weâ€™re beautiful

Not your average, Iâ€™m the baddest
Me and this beat, we making marriage
If you donâ€™t know check my status
We do this all night like Gladys
Get your feet up off the ground
Somebody better break it down
Stand up, take a bow
Get crunk, thatâ€™s my style
Ainâ€™t nothing new to me
I shine like jewelry
Afools cool with me
See him one time while Iâ€™m tuning the beat
I got my rock, I pop my lock
Keep it with me, her life got bopâ€™d
Turn up Dj, we all canâ€™t stay
But while Iâ€™m here

Just take me away
Away, Away, Away
Just take me away
Away, Away , Away
Just take me Awayyyyyyyy
Awayyyyyyy
Awayyyyy

Iâ€™m in the zone
I feel it in my bones
Ma leave me alone
Donâ€™t matter if you yell or groan
Party away, real soon Iâ€™m sorry to say
Got you might not be here , ironically, so lifeâ€™s unexpectedly, Like a refugee
Iâ€™m gonna be free to see,my buss take of like a busy bee
Itâ€™s meant to be, this history, itâ€™s a gift to me, but sometimes itâ€™s a mystery
Iâ€™m good , ion need no sympathy
All I need is a mic and a symphony
This it for me, when itâ€™s it for me, I get popped off til the 3rd degree
Thatâ€™s more then me
All I need is a beat , and a place to play
Then I let the music just

Just take me away
Just take me Away
Away, Away, Away
Just take me away
Away, Away , Away
Just take me Awayyyyyyyy
Awayyyyyyy
Awayyyyy
Just take me away

Two steps, Two steps , Two steps
Shake it for me
To the left, To the left, To the left
Pop it for me
Deep breath, Deep breath, Deep breath
Move your body
Caress, ya fless, yeah yes
We came to party

Just take me away
Away , Away , Away

I got my rock, I pop my lock
Keep it with me, her life got boxed (2)
