Ringtone

Yacht

I'm not afraid of love
so tell me what your thinking of
oh, our words was not enough
just romantic, semantics
I'm thinking of a word
often written, never heard
oh, the letters have returned
just the verbal, tactic
never feel as alone
as when you give me busy tone
when I'm left holding the phone
holding mobile
plastic
holding mobile
plastic
holding mobile
plastic
hold me up
to your face
hold me close
to your ear
hold me close
to your head
I'm on the line why aren't you here
hold me up
to your face
hold me close
to your ear
hold me close
to your head
I'm on the line why aren't you here
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
It's me lighting up your phone!

there's something in your voice
signaling me through the noise
you are not like other boys
when you make it sound
the air your body falls around
forming bowels forming mounds
following mobile
plastic
following mobile
plastic
following mobile
plastic
following mobile
plastic
following mobile
plastic
following mobile
plastic
hold me up
to your face
hold me close
to your ear
hold me close
to your head
I'm on the line why aren't you here
hold me up
to your face
hold me close
to your ear
hold me close
to your head
I'm on the line why aren't you here
(mobile plastic)
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
I'm calling, look at your phone!
Ring-tone! Ring-tone!
It's me lighting up your phone!
Ring-tone! Ring-tone
I'm calling, look at your phone
Ring-tone! Ring-tone!
I'm calling, look at your phone

Ring-tone! Ring-tone!
I'm calling, look at your phone
Ring-tone! Ring-tone!
It's me calling on the phone
(ring-tone)
(ring-tone)
