

I Want a Dog (2001 Remastered Version)

Pet Shop Boys

I want a dog,
A Chihuahua
When I get back to my small flat
I want to hear somebody bark
Oh, (oh oh) you can get lonely Don't want a cat,
Scratching its claws all over my
Habitat
Giving no love and getting fat
Oh, (oh oh) you can get lonely
And a cat's no help with that I want a dog,
To walk in the park
When it gets dark, my dog will bark
At any passers-by
Oh, (oh oh) you can get lonely
I want a dog I want a dog,
A Chihuahua
When I get back to my small flat
I want to hear somebody bark
Oh, (oh oh) you can get lonely
I want a dog
