Seduces Me

Dan Hill

Seduces MeEverything you are, everything you'll be
Touches the current of love so deep in me
Every sigh in the night
every tear that you cry seduces meAnd all that I am and all that I'll be
means nothing at all if you can't be with me
Your most innocent kiss, girl, your sweetest caress
seduces meI don't care about tomorrow
I've given up on yesterday
Here and now is all that matters
Right here with you is where I'll stayEverything in this world
Every voice in the night
Every little thing of beauty
Is shining through your eyes
And all that is you
Becomes part of me too,
Cause all that you do seduces meAnd if I should die tomorrow,
I'd go down a happy man
I thank God I've ever known you
I fall down on my knees
For all the love we've hadEvery sigh in the night
Every tear that you cry
Seduces me, oh, seduces me
And all that you do seduces me.
