Break the Ice (Remastered 2016)

Stratovarius

Why do you stare at me?
It's hard to please when you're feeling ill at ease
Hey, let it go
You have feelings inside let them showGrim craven mind, timid all the time
Can't come out of your shellIt's hell
It's time to break the ice
It's time to break the iceShame, shame on you
There are so many things that you could do
Hey, can't you see?
Love is a stream that endlessly flows in meGrim craven mind, timid all the time
Can't come out of your shellIt's hell
It's time to break the ice
It's time to break the iceIt's time to break the ice
It's time to break the ice
Break the iceIt's time to break the ice
It's time to break the ice
It's time to break the ice
It's time to break the ice
Break the ice, break the ice
Break the ice
