

In Your Eyes (Jean Jacques Smoothie Mix)

Kylie Minogue

What on earth am I meant to do
In this crowded place there is only you
Was gonna to leave now I have to stay
You have taken my breath away Is the world still spinning around
I don't feel like coming down It's in your eyes
I can tell what your thinking
My heart is sinking too
It's no surprise
I've been watching you lately
I want to make it with you Destiny has a funny way
When it comes and takes all your cares away
I can't think of a single thing
Other than what a beautiful state I'm in Is the world still spinning around
I don't feel like coming down [Repeat x3]
It's in your eyes
I can tell what your thinking
My heart is sinking too
It's no surprise
I've been watching you lately
I want to make it with you
