

The Best Is Yet to Come

[Tony Bennett](#)

Out of the tree of life I just picked me a plum

You came along and everything started to hum

Still it's a real good, bet the best is yet to comeThe best is yet to come and, babe, won't it be fine?

You think you've seen the sun but you ain't seen it shineWait till the warm-up's underway, wait till our lips
have met

Wait till you see that sunshine day, you ain't seen nothin' yetThe best is yet to come and, babe, won't it be fine?

The best is yet to come, come the day you're mineCome the day you're mine, I'm gonna teach you to fly

We've only tasted the wine, we're gonna drain the cup dryWait till your charms are right for these arms to
surround

You think you've flown before but you ain't left the groundWait till you're locked in my embrace, wait till I
draw you near

Wait till you see that sunshine place, ain't nothin' like it hereThe best is yet to come and, babe, won't it be fine

The best is yet to come, come the day you're mineOut of the tree of life I just picked me a plum

You came along and everything started to hum
