

# Still Alive

Lisa Miskovsky

I have changed  
I have changed  
Just like you  
Just like you For how long?  
For how long  
Must I wait?  
I know there's something wrong Your concrete heart isn't beating  
And you've tried to  
Make it come alive No shadows  
Just red lights  
Now I'm here to rescue you, oh oh... Oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh Oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh So silent  
No violence  
But inside my head  
So loud and clear You're screaming  
You're screaming  
Covered up with a smile I've learned to fear Just sunshine  
And blue sky  
Is this all we get for living here? Come fire  
Come fire  
Let it burn and love come racing through Oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh I've learned to lose  
I've learned to win  
I've turned my face against the wind I will move fast  
I will move slow  
Take me where I have to go Oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh Oh I'm still alive  
I'm still alive  
I cannot apologize, no oh oh
