

Don't Wait for Love (Featuring Johnathan Butler)

Will Downing

Don't wait for love I know you're sad, I see the loneliness in your eyes
So don't pretend that it's all right but your heart won't lie
You can't deny, love always wins over foolish pride
Don't run away from what you feel inside, it could pass you by Don't wait for love, wait for love
Take a chance and you will find that love was meant for you
Don't, don't wait for love, wait for love
Don't be afraid 'cause when it's time, love knows what to do Come go with me, we can explore love's mysteries
And maybe then our hearts can find what we've been missing all this time
I am the one, the one to make all your dreams come true
Just trust in me and I'll take good care of you if you want me to Don't wait for love, wait for love
You should take a chance and you will find that love was meant for you
Don't wait for love, wait for love
Don't be afraid 'cause when it's time, love knows what to do Love, don't you wait
Don't you wait for love Don't wait for love, wait for love
You should take a chance and you will find that love was meant for you
Don't you know, don't wait for love, wait for love
Come on, come on, come on, come on, come on Don't wait for love, wait for love
Don't wait for love, wait for love
Don't you wait for love
