

# New Kid In Town

[Glenn Frey](#)

There's talk on the street, it sounds so familiar  
Great expectations, everybody's watching you  
The people you meet, they all seem to know you  
Even your old friends treat you like you're something new Johnny come lately, the new kid in town  
Everybody loves you, so don't let them down You look in her eyes, the music begins to play  
Hopeless romantics, here we go again  
But after awhile, you're lookin' the other way  
It's those restless hearts that never mend Johnny come lately, the new kid in town  
Will she still love you when you're not around? There's so many things you should have told her  
But night after night you're willing to hold her  
Just hold her, tears on your shoulder There's talk on the street, it's there to remind you  
That it doesn't really matter which side you're on  
You're walking away and they're talking behind you  
They will never forget you 'til somebody new comes along Where you been lately, there's a new kid in town  
Everybody loves him, don't they?  
Now he's holding her, and you're still around Oh, my, my, there's a new kid in town  
Ah, just another new kid in town  
Ooh, hoo, everybody's talking about the new kid in town  
Ooh, hoo, everybody's walking like the new kid in town There's a new kid in town, I don't want to hear it  
There's a new kid in town, I don't want to hear it There's a new kid in town  
There's a new kid in town  
There's a new kid in town
