It's Just Goodbye

Lea Salonga

The sweetest songs fade to echoes in the wind
The best of times must end, so a new day can begin
And the dreams we dream that seem so real at night
Must meet the morning light and vanish from our sightIt's just goodbye, remember
Time was never our friend
We walked the road together
And we came to the endIt's just goodbye
Now I won't tell you not to cry
But I swear that what we had won't die
'Cause it isn't over, it's just goodbyeI close my eyes and I still can see your face
I know the truth of us, can't be bound by time or space
And the joy we shared, the magic that we've known
Is something that we own, though we may be aloneIt's just goodbye, remember
Time was never our friend
We walked the road together
And we came to the endIt's just goodbye
Now I won't tell you not to cry
But I swear that what we had won't die
'Cause it isn't over, it's just goodbyeIt's just goodbye
It doesn't really matter why
I know what we had can never die'Cause I'll always love you
Yes, I'll always love you
So, it's just goodbye
