

# Never Really Was

Mario Winans

I just need to talk to you for a second  
It won't take me long  
I gotta get this off my chest  
Listen I'm really glad that you can take out time  
'Cause I got a lot on my mind  
I never thought that you would be the kind  
To do the dirt and hang your head  
Babygirl, won't you make me understand  
Why you would say the things you said to me?  
You made me believe, we would be forever  
But it was all a lie If it never really was what you seen in me  
Why did you say you believed in me?  
It's all because of you, my security  
It's driving me crazy, baby  
If it never really was what you had for me  
Why did you say that you wanted me, needed me?  
If it never really was what you meant for me  
Tell me Now I know I've asked you time and time again  
Were you sure you didn't want another man?  
I would have understood it back then  
But you had to wait until I gave in  
Now I know I've been a sucker for your love  
Baby, tell me what the hell was I thinking of  
I should have listened to them when they told me  
But I learned the hard way If it never really was what you seen in me  
Why did you say you believed in me?  
It's all because of you, my security  
It's driving me crazy, baby  
If it never really was what you had for me  
Why did you say that you wanted me, needed me?  
If it never really was what you meant for me  
Tell me Why would you play with my heart?  
When I gave it all, it's tearing me apart, girl  
All you had to do is say so  
I would have let you go, you're making it so hard, girl  
Why would you play with my heart?  
When I gave it all, it's tearing me apart, girl  
All you had to do is say so  
I would have let you go, you're making it so hard, girl If it never really was what you seen in me

Why did you say you believed in me?  
It's all because of you, my security  
It's driving me crazy, baby  
If it never really was what you had for me  
Why did you say that you wanted me, needed me?  
If it never really was what you meant for me  
Tell me If it never really was what you seen in me  
Why did you say you believed in me?  
It's all because of you, my security  
It's driving me crazy, baby  
If it never really was what you had for me  
Why did you say that you wanted me, needed me?  
If it never really was what you meant for me  
Tell me
