Outraged

Agnostic Front

I wanna live again
I wanna know I'm alive
I wanna breath again
Suffocated from all your lies
I'll tell you how it is
Just shut up and listen to me
Sick and tired
Of your ignorance
Sick of you stupidity
Your my pain - my rage!
My pain - I'm outraged!
look in my eyes
See my strife, feelmy fight
Look at my life
Tell me do you recognize?
See the pain
Can you feel all this hate?
See the scars
I don't think you can relate
To my pain - my rage!
My pain - outraged!
My pain - my rage!
My pain - I'm outraged!
You won't hold me back,
NO! Even though
You want it that way
I've lived in shame,
No longer will you
Fuel my Pain!
