

Flowerbed

Take That

Darling please forgive me
I was sitting on the fence I was slowly going out of head
I did not hear a word that you said
I was enjoying myself
Sleeping in your flowerbed If I could take your blows
If I could get pass go
If I could find a way of fixing the things that I broke
Then I would, if I could And I might understand
Now I ended outta mind
And I might understand
Now I ended outta mind But the truth is hard to find
When it's playing tricks with your mind
Darling please forgive me
I was hanging with my friends I was slowly getting outta my head
I did not hear a word that you said
I was enjoying myself
Sleeping in your flowerbed
I was enjoying myself
Sleeping in your flowerbed
