Here Comes The Nice

Small Faces

Here come the nice, looking so good
He makes me feel like no one else could
He knows what I want he's got what I need
He's always there if I need some speedHere come the nice (its understood)
Here come the nice (he'll make you feel good)
I'd be just like him (if I only could)
(you know you should)You know you should meet the man (the man)
The man gonna help you all he can
You don't money to be wiseHere come the nice, looking so cool
Everyone knows the nice is no fool
He'll bring you up, and show you around
He's always there if your feet hit the ground
