

# I Once Spoke as a Child

[Azure Marl Void](#)

Silhouettes in my heart rhetoric fills the soul.Â I don't preach anymore hypocrite that I am.Â All these thoughts kill me I once lived now I'm dead. Here I stand all alone without your or a home.Â Please speak to me?Â I'm lost without you.Â Fill my marrow bones with your holy ghost.Â I once spoke as a child now I see as a man.Â Every word that I speak leads the action of sin.Â Here I stand all alone without you or a home.Â But I know if I stay I will burn alone.Â Please speak to me?Â I'm lost without you.Â Feel my marrow bones with your holy ghost.
