

# You Bring Me Under

## O-town

Oooh...  
My mind is suffocated  
By your deep sigh  
The scent of you has got me  
So blind, why, why can't I be with you  
Full time 'cause  
You bring me under  
Your lips, your eyes, your skin  
Can't wait to be within  
Your thoughts, your mind  
Will meet in time babe  
You're mine babe  
So fine babe  
But for now  
I like it when you bring me under  
You bring me  
I know you so well  
I love it when we get down, down, down  
Can't you tell  
I know you know when I first met you  
I met you  
My heart fell  
I love it when you take me down, down, down  
Under your spell  
If you, could ever understand  
What you put me through  
Then I, I  
I could forgive you  
I can't forget you  
The things that you do  
Won't leave my mind soon  
I came to you with a broken view of what  
My life should be

You carried me subconsciously  
I send my mind through your eyes  
My thoughts are caught up in you  
Ooo, Can't wait to wrap myself in you  
I like it when you bring me under

You bring me  
I know you so well  
I love it when we get down, down, down  
Can't you tell  
I know you know when I first met you  
I met you  
My heart fell  
I love it when you take me down, down, down  
Under your spell  
(and Ashley)  
When I look into your eyes  
My mind just don't know what to do and  
It's a crazy thing  
Got me all in a trance  
Wanna dance in the streets with you  
You got it goin' on, flowin' on  
Girl you never show me wrong  
Make a fella wanna go buy the song  
And give you all my publishing  
I'm gonna go where you wanna go  
??? Cause  
I think I'm in love with you  
And before I never knew that I was so  
I can't recall  
Not at all  
The last time a girl made me fall  
So deep that I had withdrawals  
So don't stop cause
