

# Peaches N Cream (feat. Charlie Wilson)

## Snoop Dogg

She's 'bout to go in  
She likes that low end  
Damn, her ass is so big  
Just keep it bumping  
Peaches and cream Uh oh, there she go, that's that look all on her face  
Shorty dancin' like she knows she's the baddest in the place  
Hey, hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do?  
Got a freak em dress on, them newbies on her feet  
And them bottles with the sparkles  
So the other girls can see that she's  
Hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do? She's too fly for words  
And where I'm at now I'm too high for birds  
Shorty, what you think about my return?  
Cause what he think about it ain't my concern  
I ain't come for you, I came for your misses  
I don't do it for the haters, I do it for the players  
Well okay, I do it for the riches  
But in the meantime and then between time  
Shorty right there gon' get it if she with it if she ain't  
And I know her partner down  
Cause her partner throwing shots every time I turn around  
And her partners bringing partners every time I come to town  
I'm a G6 sir, a Maybach-er  
You can tell the chauffeur he can park it right there  
And I'm a walk up to the club upstairs  
And when I come down he can bring it back here She's 'bout to go in  
She likes that low end  
Damn, her ass is so big  
Just keep it bumping  
Peaches and cream Uh oh, there she go, that's that look all on her face  
Shorty dancin' like she knows she's the baddest in the place  
Hey, hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do?  
Got a freak em dress on, them newbies on her feet  
And them bottles with the sparkles  
So the other girls can see that she's  
Hey, I wanna get with you (Freak, don't fail me now)

Hey, so what you wanna do? I came to cut right now  
Big Snoop Dogg and I came to get down  
Yes, I'm internationally known  
Libra love that make you moan and groan  
Burn my cash like race cars  
Two bad broads with the bass on  
I never let her go, girl that I'd wait for  
I seal my deal like Jay does  
All that and then some  
Pimp real for real when I win some  
I remember what you thinking  
Black shades on, drinking while you blinking  
Something fly, white limousine  
Make a clean getaway  
I loved your clothes when you walked on by  
The way you let it out She's 'bout to go in  
She likes that low end  
Damn, her ass is so big  
Just keep it bumping  
Peaches and cream Uh oh, there she go, that's that look all on her face  
Shorty dancin' like she knows she's the baddest in the place  
Hey, hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do?  
Got a freak em dress on, them newbies on her feet  
And them bottles with the sparkles  
So the other girls can see that she's  
Hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do? Everybody in the world  
Here we go  
Fill your body  
With the smoke  
And that's the way to go She's 'bout to go in  
She likes that low end  
Damn, her ass is so big  
Just keep it bumping  
Peaches and cream Uh oh, there she go, that's that look all on her face  
Shorty dancin' like she knows she's the baddest in the place  
Hey, hey, I wanna get with you (Freak, don't fail me now)  
Hey, so what you wanna do?
