

# Lucky in Love

Jill Barber

I don't take bets  
I used up all my chances  
On former debts, and old romances  
And so I'll quit while I'm ahead  
No ones this lucky in love  
Cashed in my chips and collected my prize  
Now read my lips as I gaze into your eyes  
I am tempting the fates up above  
No one's this lucky in love  
Since being struck by cupid's arrow  
I'm keeping on the straight and narrow  
I will try to be good, and quit being proud  
For I've had more luck  
Than one should be allowed  
I've had my share, I've had my fill  
I've had my cares but even still  
I am tempting the fates up above  
No one's this lucky in love  
Eternal youth, there is no secret potion  
But even still I have a funny notion  
That you can find eternity  
Oh, but as far as I can see  
I am tempting the fates up above  
No one's this lucky in love
