Walk Straight Down The Middle

Kate Bush

Can't move my arms
Can't move my legs
Can't say, "No"
And I can't say, "Yes"
I can't help myself
I need your helpWe go, oh, oh, what do we do
Now we just can't move
We're calling out for middle streetWe go, oh, oh, what do we do
Now we just can't move
We hang on to every line
And walk straight down the middle of itBut he thought, he was gonna die
But he didn't
And she thought, she just couldn't cope
But she did
And we thought it would be so hard
But it wasn't
It wasn't easy, thoughI can't say, "Yes"
I can't say, "No"
I can't begin
I can't let go
Help me nowWe go, oh, oh, what do we do
Now we just can't move
We're calling out for middle streetWe go, oh, oh, what do we do
Now we just can't move
We hang on to every line
And walk straight down the middle of itBut he thought, he was gonna die
But he didn't
And she thought, she could never cope
But she did
And we thought it was all over
But it wasn't
It hadn't started yetAnd walk straight down the middle of it
And walk straight down the middle of it
We're calling out for middle street
We're calling out for middle street
Walking straight down the middle of it
