

# Soul Thief

[vChenay](#)

{ Verse 1 }

I swear to god I'm  
Gonna leave tomorrow  
I gotta get outta here, outta here  
There's more to life than  
What's in front of me  
I've gotta do some searching for myself

{ Pre Chorus }

Think a piece of me got lost along the way  
And it sure seems like I'm going thru hell  
Just to get it back baby  
You've gotta know I've had enough  
With you and all you've done

{ Chorus }

Feels like a robbery  
And you're a soul thief  
( Ah ah, ah ah  
Ah ah, ah ah  
Soul thief )  
Feels like a robbery  
And you're a soul thief  
( Ah ah, ah ah  
Ah ah, ah ah  
Soul thief )

{ Verse 2 }

For real it's the last time I'm doing this  
I just need to move thru with it  
And actually keep a promise to myself  
I can't be held down any longer  
I need to what I feel inside

{ Pre Chorus }

Think a piece of me got lost along the way  
And it sure seems like I'm going thru hell  
Just to get it back baby  
You've gotta know I've had enough

With you and all you've done

{ Chorus }

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )

{ Bridge }

I can do a lot better than you

Lost my mind

But it's clear now you twisted the truth  
And heartbroken's not a good look for me

So next time you look for me

I'll be gone

{ Chorus }

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )

Feels like a robbery  
And you're a soul thief

( Ah ah, ah ah

Ah ah, ah ah

Soul thief )
