Wait

Amber Hayes

I don't usually talk to strangers
But today this line's unusually long
I really like our conversation
So i guess this is goodbye on second thought hold onWait
It might sound crazy
I'm thinking maybe
We could talk and talk all day
This could be forever
We would never ever know it if this moment slips away
WaitWe could both just mind our business
Take our coffee cups and just be on our way
Or we could stop and take a minute
To find out if this spark
Really is a flameWait
It might sound crazy
I'm thinking maybe
We could talk and talk all day
This could be forever
We would never ever know it if this moment slips away
WaitIts a million to one
but lets take it anywayWait
It might sound crazy
I'm thinking maybe
We could talk and talk all day
This could be forever
We would never ever know it if this moment slips away
Wait
