

Clean Money

Elvis Costello & The Attractions

Payday's coming and we wash it away
Clean money, clean money
Payday's coming and we wash it away
Clean money, clean money
That's what I want to do
I want to spend it on youChecking on a checkmate
Classing out a classmate
So beautiful and fortunate
He hates to love, you love to hate
He can fix you for good
'Cause he is the neighborhood
You can't get money for blood
Blood money for doing no good
But they won't take my love for tenderPayday's coming and we wash it away
Clean money, clean money
Payday's coming and we wash it away
Clean money, clean money
That's what I want to do
I want to spend it on youHave you made your selection?
Are you ready for correction?
'Cause the wages of sin
Are an expensive infection
And it's under the counter
Under the Geiger counter
Who stole your thunder?
But they won't take my love for tender
