

Where Do We Go From Here

[Chris Rene](#)

x2 *yeah yeah yeah yeah dana nana nanananana*well maybe we can take our chances, or maybe we can see
whats on your mindi wonder if we look, inside our hearts, exactly what
we'd findmaybe we could take a lot of pain awayyeah yeahor maybe we could heal the world todayor maybe,
you know, something, i don't, if you do then
tell mewhere do we go from here
where do we go from here
where do we go from here
yeahwhere do we go from here
where do we go from here
where do we go from here
god only knowsyeah yeah
yeah yeahwhere where where where
where do we go from here
where do we go from here
where do we go from here
yeahwhere do we go from here
where do we go from here
where do we go from here
god only knows
